Great informative and enlightening information! I have told many of my family and friends to visit your website. I am interested in purchasing the two books/essays re: St. Louis School of Holy Redeemer Parish written by Roger Baudier and Sister Mary Eugenius Gallaher. Is it possible that I may purchase these through your website? Keep up the good work

I found your guestbook in a google search. I'm trying to find info on the family name JUDICE, particularly Eugenie Judice. She lived in Louisiana & had children with FRANCOIS COUSIN
